ACKNOWLEDGEMENT

For completing this project work, we have received the support and the guidance from many people whom we would like to mention with deep sense of gratitude and indebtedness. We extend our gratitude to our beloved **Chancellor, Pro-Vice Chancellor, and Registrar** for their support and encouragement in completion of the project.

We would like to sincerely thank our internal guide **Dr. Afroz Pasha, Assistant Professor—Senior Scale, Presidency School of Computer Science and Engineering**, Presidency University, for his moral support, motivation, timely guidance and encouragement provided to us during the period of our project work.

We are also thankful to **Dr. Pallavi.R, Professor, Head of the Department, Presidency School of Computer Science and Engineering** Presidency University, for her mentorship and encouragement.

We express our cordial thanks to **Dr. Duraipandian N, Dean PSCS & PSIS, Presidency School of Computer Science and Engineering** and the Management of Presidency University for providing the required facilities and intellectually stimulating environment that aided in the completion of our project work.

We are grateful to **Dr. Sampath A K, PSCS Project Coordinators, Ms. Benitha Christinal J, Program Project Coordinator, Presidency School of Computer Science and Engineering**, for facilitating problem statements, coordinating reviews, monitoring progress, and providing their valuable support and guidance.

We are also grateful to Teaching and Non-Teaching staff of Presidency School of Computer Science and Engineering and also staff from other departments who have extended their valuable help and cooperation.
